*Providing educational preschool
for children ages 3 and 4 years*

At Trout Lake Preschool, your child will have the opportunity to gain practice in cognitive, language, fine motor, gross motor, social, emotional, and self-help skills through developmentally appropriate practice techniques.

These skills will help your child build his/her self-esteem and prepare him/her for future life experiences and skill development. Each child is treated with respect and love and is offered a positive learning environment.

At Trout Lake Preschool we believe:

Children are entitled to:

environments and opportunities that foster positive emotional, social, cognitive, spiritual, and physical development, and that value inclusiveness, multiculturalism interdependence, and dignity.

Families are entitled to:

be involved in a meaningful way in their child's preschool experience and deserve assurance of quality care for their children while they are involved in work, educational and/or personal fulfillment.

At Trout Lake Preschool, a multicultural, anti-biased curriculum is offered. Children of any race, religion, ability, colour, gender, national & ethnic origin are assured all the rights, privileges, programs and activities made available to children at the preschool. We do not discriminate in any way with the administration of our educational policies, enrollment policies, financial plan,

or any other preschool-administered program.
