
Trout Lake Vancouver Community Centre Association

2025 ANNUAL REPORT

TROUT LAKE
COMMUNITY CENTRE

Your Community Your Centre in an Evolving Neighbourhood

We are a non-profit society comprised of community volunteers.

Located in a spectacular complex that opened in 2012, Trout Lake Community Centre (TLCC) is collaboratively operated by the Vancouver Board of Parks and Recreation and the Trout Lake Vancouver Community Centre Association (TLVCCA).

The Association undertook a formal name change on February 25, 2019, whereby it retired its original name of Grandview Community Centre Association (under which it was constituted as a Society in 1956), officially adopting the name of Trout Lake Vancouver Community Centre Association to match the facility, which had been renamed in 1977.

TLVCCA acknowledges that the land on which we gather is the unceded and ancestral territory of hən̓q̓əmin̓əm̓ (Halkomelem) [HUN-kuh-MEE-num] and Sḵwx̱wú7mesh speaking peoples — the xwməθkwəy̓əm (Musqueam), Sḵwx̱wú7mesh (Squamish), and səlilwətaɬ (Tsleil-Waututh) Nations — who have stewarded it since time immemorial.

Trout Lake Vancouver Community Centre Association

Annual Report of Trout Lake Vancouver Community Centre Association (TLVCCA)

The Trout Lake Community Centre has been a cornerstone of the vibrant and evolving Kensington-Cedar Cottage neighbourhood for over sixty years. We are deeply grateful to the foresight of past community members who envisioned a Trout Lake community centre and worked so diligently to ensure its reality. The TLVCCA continues this diligent work as we abide by our stated Vision, Mission and Values.

Our Vision

Our vision is that Trout Lake Community Centre will be a place of connection that fosters a healthy, vibrant and sustainable community.

Our Mission

Our mission is to bring together our community to provide accessible and inclusive social, cultural, recreational and educational opportunities that strengthen individual, family and community wellbeing.

Our Values

- Inclusive. We welcome diversity in all its forms. We seek ways to break down barriers and improve access for our evolving community.
- Respectful. We demonstrate respect for one another, community members, and our partners.
- Innovative. We build on what is working well and lead with a solutions-oriented perspective.
- Sustainable. Our decisions and actions are aimed at long-term financial, organizational, and environmental well-being.
- Connected. We foster trust and collaboration and create opportunities that promote well-being.

Who We Are

Since 1956, the **Trout Lake Vancouver Community Centre Association** has been guided by dedicated, elected volunteers. TLVCCA operates with a Joint Operating Agreement (JOA) with the Vancouver Board of Parks. Briefly, this 2018 legal contract defines the relationship between the Park Board (PB) and community centre associations (CCA's). The JOA clarifies the roles, responsibilities and authority of Parks Board and of TLVCCA for operating in a thriving community centre like ours.

Our Key Responsibilities

- Developing and overseeing programs through community volunteer committees
- Employing program instructors and managing program revenues
- Setting operational and capital budgets
- Operating the Trout Lake Preschool
- Purchasing and maintaining program equipment
- Purchasing and maintaining centre furnishings
- Supporting the operation of the Trout Lake Cafe

(*Note: TLVCCA does not oversee the operation or maintenance of the ice rink or fitness centre.)*

We Build Community Connections

TLVCCA is deeply committed to strengthening community ties and fostering inclusion. Some examples of our community engagement include:

- Subsidizing new programs to support their launch and continued success.
- Offering financial assistance to ensure programs are accessible.
- When possible, providing free space for workshops and activities that address non-political community interests.
- Presenting four youth scholarships annually.
- Maintaining affiliations with the Grandview Skating Club, Scribes Rugby Football Club, Trout Lake Little League, and Trout Lake Pottery Club.
- Sponsoring and hosting the Elders' Room at the annual Mother's Day Pow Wow.
- Hosting or co-hosting all-candidates meetings during elections.
- Organizing and presenting the popular Summer Concert Series.
- Celebrating community through special events such as Earth Day, Family Day, and Truth and Reconciliation Day.

Our continued success is made possible by the commitment and enthusiasm of community centre staff and the many TLVCCA volunteers. Together, we ensure that the Trout Lake Community Centre remains a vibrant, welcoming hub for all.

This annual report includes the TLVCCA's financial highlights and committee reports, offering insight into our many programs, affiliations, and initiatives.

Margo Dunnet

Community Recreation Supervisor,
Trout Lake Community Centre

This past year has been one of growth, connection, and resilience for our community centre. Our programs continue to thrive, with notable gains in School Age, Summer Camps, and Adult offerings, while Early Childhood, Preschool, Youth, and Seniors programs remain well-loved and well-utilized.

We are proud of the impact our programs have on the community. Initiatives like Youth In Action for neurodivergent youth and the Adapted Gym for individuals with complex disabilities continue to make a meaningful difference. New programs such as the MotherFlock Mom Group, Journaling Meet-up & Swap, and Math & Literacy sessions have been enthusiastically embraced, reflecting the creativity and dedication of our team.

This year also brought change as we said goodbye to two long-standing staff members, Bernie Dionne and Witton Chau, whose contributions over 12 and 20 years respectively have shaped our centre in countless ways. Further staffing transitions and upcoming challenges, such as City budget impacts and paid parking, are on the horizon. We remain confident in the strength of our partnership with the Association and Park Board.

Looking ahead, we are excited about improvements that will enhance our space and services. The Park Board has invested in critical repairs to the glulam beams and will repurpose the non-functional steam room to create much-needed fitness space. The Association is upgrading kitchen equipment to better support Seniors' luncheons, rental groups, and community programs.

Together, we will continue to adapt, innovate, and serve this vibrant community with care and commitment. Thank you for being part of our journey.

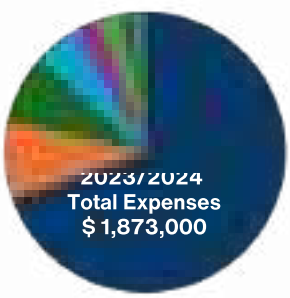
Financial Highlights

Bill Hawke | Treasurer

2024/2025 in Summary

	2024/2025	2023/2024
Revenue	**$ 2,067,186**	**$ 1,928,000**
Expenses	**$ 1,981,606**	**$1,873,000**
Net Income	**$ 85,580**	**$ 55,000**

Revenue again **increased by 7%** while expenses increased by 6%. These numbers are related so closely because of the relationship between Registration fees and Instructor remuneration. Our Retained Earnings increased again but still is only 4% of total revenue. We have identified a dozen projects that were started this year and will spill over in the next years. They include cleaning, repairing and recovering the lobby furniture, new portable sound equipment for the gym and larger activity rooms, new equipment for the kitchen to replace end of life items and larger capacity units. Our kitchen serves for meal preparation and cooking instruction programs. We are also reaching the full capacity of our Electrical supply in the North End of the building and options are currently being reviewed to resolve this issue.



87.7%	Program Fees
9.5%	Rentals
1.9%	Interest
0.2%	Cafe
0.2%	Vending Machine

69.66%	Program Activities
9.02%	Admin Staff/ Payroll Exp.
7.81%	Group 1 Staff Costs
5.25%	ActiveNet/Parks Board Fees
2.94%	Rental Costs
2.50%	Board Events/Approved Expenses
1.30%	Brochures Costs
0.60%	Equipment
0.56%	Audit/Legal Fees/Bank
0.27%	Other
0.08%	Cafe

Investments

The higher interest rates of recent times have allowed investments in higher rates of return on our investments. Our Reserves are held in Term Deposits in a local large financial institution with maturities spread throughout the year to benefit from our changing times.

Retained Earnings

Most of our Retained Earnings are set aside in Restricted Allocations for specific purposes. We have a Contingency Reserve as I reported last year, allowed us to retain staff and offer as many programs that health directives allowed. During the Covid times we had classes that normally would accommodate 25 members that were restricted to 6 or 8 because of space allocations. Our Contingency Reserved allowed us to do this and remain financially balanced.

Additional reserves are set aside for Equipment and Building improvements. We are updating our website including content and flexibility.

Please note! Information in this report is based on unaudited Financials. Data is rounded to the nearest thousand.

Recreation Programmers

Joe Oliveira, Programmer II | Matt Sung, Programmer I

Program Highlights

2,000 + Programs offered	490+ Programs on average per season	89% success rate at 1800+ programs run
800+ attendees on Family Day	200-250 attendees per 7 free concerts	106 birthday parties per year

The Programming Team with the support of Program Assistant IIIs, Gloria Lai, Alison Wright, and Kya Prince organized and oversaw over 1,800 activities, events, and programs over the past year.

Special Events: Fall Harvest Community Dance, Family Day, Earth Day Celebration, and the Summer Lantern Procession were the highlights of the 17 special events this year.

Birthday Parties: Trout Lake's unique birthday party packages include a sustainable green party box including reusable dishes, table clothes and decorations. This removes the stress off families on their kid's special day. This green initiative has been very positive with families resulting in sell outs every season.

Family Day: 17 community organizations participated at this year's Family Day celebration to share valuable information and connect with the community. Families enjoy the free activities including face painting, pottery studio activity, play gym and free ice and brownie dessert.

Summer Concert Series: The community looks forward to this staple each summer with its ever-changing selection of local artists and some returning favorites. Active play for the youngsters provided by Red Fox Society is an added bonus to the concert series.

Senior Luncheons: 18 senior luncheons offered and all 70 spots sell out quickly and are thoroughly enjoyed.

Program Committee

Leslie Tenta | Chair

Volunteer TLVCCA members gave community input and knowledge to the professional expertise of our Parks Board programmers, Matt and Joe. Community collaboration and outreach enabled more expanded programming, free workshops and special events.

The enthusiastic skilled instructors and presenters who lead our thousands of programs are greatly appreciated by our community members and by the TLVCCA Board. Seniors' daytime programming continued to be vibrant. It is always a delight to see the children with their art projects, kids and adults in their dance outfits or Martial Arts attire, the Moms working out alongside their little ones in strollers, the yoga, the discussion groups and the conversations in our comfy seating areas.

Operational Initiatives

- Registration for Seniors programs now opens at 10:00 am on registration days. This is a safety measure for in-person registration and general convenience for our seniors; these programs fill up quickly.
- Program Information is available via the regularly updated TV screens at the front desk and rink lobby.
- Seniors are welcomed to the new monthly Trout Lake Seniors Community Meeting for updates. The varied senior interest groups within TLCC provide their input and share information.

Arts & Social Committee

Lisa Kew | Chair

The Arts & Social Committee works to support and expand opportunities for community members to learn, create, and connect through the arts. The committee helps ensure that artistic expression remains a vibrant part of Trout Lake's programming and that the Centre continues to bring people together through events that celebrate creativity and community involvement.

Over the past year, the Arts and Social Committee focused on strengthening relationships with local artists and responding to the evolving needs of the community. The committee emphasized awareness of appropriate artist fees, supporting fair and sustainable engagement practices. Efforts were also made to celebrate and highlight the work of Indigenous artists, fostering greater cultural understanding and inclusion. In addition, the committee began reassessing long-standing events to ensure they continue to reflect community interests and remain relevant, engaging, and accessible to all.

Community Youth Worker

Bernie Dionne | Community Youth Worker

Prepared by Omar Tanbouz | Youth Program Assistant

Highlights of the Year

$2,500 scholarships awarded to our dedicated volunteers.

Trout Lake Dragon Boat Team “Fishies” won gold in all 3 of their competitive races.

938 unique youth attended youth volunteer and drop-in programs from Sept 2024 - Aug 2025.

Scholarship Winners

Athletic and Community Scholarship ($750): Talia Ee

Academic and Community Scholarship ($750): Stella Wu

Community Leadership Bursary ($1,000): Courtney Lee

Tournaments

We hosted a 3v3 Basketball in partnership with Rain City Basketball which had 39 youth in attendance competing.

Youth Programs

Youth in Action (YIA) is a year-long program that supports youth aged 13 - 19 with mild to moderate developmental differences, helping them build life skills, social skills, independence, and friendships in a positive environment as they transition into adulthood. YIA is funded through a BC Ministry and Children and Family Development grant. Our staff team is composed of individuals from various backgrounds and youth centered careers, including staff from the Vancouver School Board. Karine Ling previously supervised this program, and now it is being supervised by Amanda Simonetto.

Community Youth Worker

Youth Council is a volunteer program offered at Trout Lake Community Center. It takes place every Friday evening and is composed of different committees that meet together with shared goals. These talented youth spend their time prepping arts and crafts, food and community out-reach for special events that Trout Lake runs for the community. They also can sign-up to be directly involved with helping out during the event alongside staff members.We offer Youth leadership skills, life skills and invite various guest speakers to further educate our volunteers.

The Trout Lake Fishies Youth Dragon Boat Team had an incredible 2024/2025 season! Competing in two regattas and one festival: the Burnwater Youth Regatta, the Vessi 500 Championship, and the Concord Pacific Dragon Boat Festival; the team delivered outstanding performances. **For the first time ever, the Fishies brought home gold at every event, earning three gold medals in total making team history!**

Camp Sasamat is a city-wide youth camping trip that takes place at the Sasamat Outdoor Center by Sasamat Lake. Youth from all over Vancouver, Burnaby and Richmond had the opportunity to hike, canoe, swim, kayak, rope climb and disconnect from social media.

Highlights of the Year

We averaged a grand total of **111 active Youth Council members** throughout Sept 2024 - Aug 2025!

The Youth Council contributed an astronomical **4,859 hours**, which is the equivalent to how long it takes to learn 2 difficult languages fluently!

Camp Sasamat's attendance featured **56 youth participants** from Trout Lake, and 9 YIA youth. The Youth Council volunteered for 7 massive special events hosted for the community. We had a total of **184 participants enrolled in 9 different workshops** throughout the year. Workshops included were related to acquiring certifications, like FOODSAFE Level 1 and Standard First Aid level 1 & CPR "C", and personal safety, like Teens Personal Safety Workshop and Stay Safe for Preteens.

The Youth Council had the opportunity to make wonderful memories with their friends by getting to go bowling at Grandview Lanes & attending the PNE Winterfair of 2024!

Trout Lake Preschool

Sunny Abebe | Preschool Head Teacher

At Trout Lake Preschool, the focus is on creating environments and opportunities that support children's emotional, social, cognitive, and physical development. The program emphasizes inclusiveness, multiculturalism, interdependence, and dignity, fostering a welcoming and nurturing community for all children. Enrollment is equally divided between 3- and 4-year-olds, providing a balanced and dynamic classroom environment. Throughout the year, children participated in a variety of activities that promoted joy, collaboration, and a strong sense of community.

Preschool Highlights

Playground Pumpkin Patch: Pumpkins were brought to the preschool playground, allowing children to pick their own, encouraging hands-on learning, sensory exploration, and seasonal celebration.

Nature Walks: Exploring Trout Lake in John Hendry Park continued to be a favourite activity. Children climbed trees, observed wildlife, and connected with nature, fostering curiosity, physical activity, and appreciation for the outdoors.

Graduation Dance: In preparation for Graduation Day, children participated in dance lessons with Maria. Practicing routines built confidence, coordination, and excitement, culminating in a memorable family performance.

Zoo Field Trip: Graduates visited the Greater Vancouver Zoo, enjoying the bus ride and exploring exhibits. The trip provided a fun, educational experience, encouraging observation, social interaction, and engagement with wildlife.

Staff Conferences and Workshops: Staff attended the annual ECEBC conference and workshops, including sessions by Jared Qwustenuxun on Honouring the Light in All of Us. Additional workshops focused on understanding neurodiversity and creating inclusive, culturally responsive learning environments, supporting professional growth and enhanced programming for children.

Trout Lake Fitness Centre

Kin Dang | Recreation Fitness Programmer II - Fitness

The Trout Lake Fitness Centre is one of Vancouver's busiest facilities, serving a diverse community in a vibrant, lakeside neighbourhood.

In 2024, new programs included a Wednesday evening indoor cycling class and a women's weight training class, complementing existing older adult and youth weight training sessions. These classes have been highly popular, introducing fitness to new users, fostering community connections, and promoting healthy lifestyles.

The centre continues to lead Vancouver Park Board facilities in personal training sessions. Seven new trainers were added in 2024 to meet growing demand, contributing to a significant increase in revenue.

Cardio equipment was also upgraded, including two Life Fitness recumbent bikes, four ellipticals/cross trainers, three Life Fitness treadmills, and one Woodway treadmill.

The Trout Lake Fitness Centre remains a hub for community engagement, encouraging members to build relationships and a supportive fitness community.

Trout Lake Ice Rink

Maegan Montemayor | Rink Programmer

Over the past year, the ice was fully utilized, with spring and summer lessons running a full roster of instructors following a maintenance shutdown at Britannia Rink. This allowed the community to enjoy public skating and daytime adult programming year-round, fostering connection and participation through the joy of skating.

Three rounds of hiring added 25 new instructors, strengthening the roster for future lessons, while ice and facility maintenance ran smoothly to ensure safe and efficient operations, and the front desk managed increased demand by providing consistent service and information to patrons.

Minor Sport User Groups continued to deliver high-quality sport programming, and the arena maintained its role as a central hub for skating and recreational activities in the community.

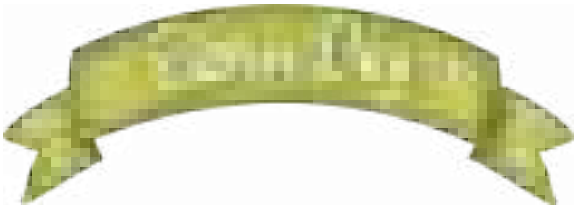
The patrons of Trout Lake Arena continue to highlight the essential role the rink and its programs play in enriching their lives.

Green Committee

Yiman Jiang | Chair

Earth Day 2025 Highlights

The TLVCCA Green Committee and TLCC staff worked hard to bring the 4th annual TLCC Earth Day to the community on April 12, 2025. Through 37 vendor booths, information booths and activity circles, over 500 participants enjoyed a fun and informative day to celebrate the richness of Mother Earth and learn how each of us can do our bit in protecting the only planet we all call home.



Green Committee

Green Committee Highlights

Using a transportation-focused display and map, the Green Committee asked TLCC patrons in June 2025 how they got to the centre and what barriers they face in walking, cycling, or using transit to get to the centre.

Over 200 people responded:

- **53%** arrived by walking, **33%** drove, **30%** took public transit, and **16%** rode bicycles. Some people used more than one mode of transport, giving a total of over 100%.
- The challenges noted included but were not limited to the centre being too far from their home, the need to bring equipment, and the need for active transportation improvements such as better lighting and secure bike parking.

From gardening to mending, from healthy cooking to healthy DIY body care products, from Trashformation to Climate Wayfinding, 38 green-themed workshops were offered at TLCC over the past year - 18 of which were subsidized by the TLVCCA Green Committee.

Green Committee member Wally has led weekly (Sundays 2-4pm) Zero Waste Collections at TLCC since early 2024 and has taken many bags of collected recycling materials to the recycling depot. Working with the City this summer, the Green Committee has expanded the collection to include 10 additional categories of items for recycling collection.

The TLVCCA Green Committee is made up entirely of community volunteers. Armed with their knowledge, expertise and enthusiasm, the Green Committee members contribute their time, energy and dedication to develop and organize green workshops and events. The Green Committee always welcomes community members to join us, to champion environmental conservation and climate actions in the context of Trout Lake Community Centre.

Grandview Skating Club

TLVCCA Affiliate Group

Christina Webster | Club Chair

Grandview Skating Club (GSC), a non-profit in East Vancouver since 1966, offers quality skating programs like CanSkate, StarSkate, Power Skate, Special Olympics Learn to Skate, Special Olympics Figure Skating, as well as training opportunities for Synchronized Skating, Artistic Skating and Masters Skating. GSC supports the Skate Canada 'Sport for Life' philosophy.

Our fantastic skating families contributed an astonishing **1,568 volunteer hours** this year!

Programs Highlights: Competitions and Achievements

It has been an exciting year, with many first-time competitors, podium finishes and personal best scores. The highlights:

232 Skaters participated in "A Night at the Oscars", GSC's bi-annual Ice Show

84 Skaters Star 2 and up participated in 3 Club competition simulations

76 Skaters entered 4 BC Coast Region and BC/YT Section competitions

5 Skaters from Richmond, Vancouver and Surrey signed up for the GSC Special Olympics Interclub competition

3 Adult skaters competed at the International Adult Figure Skating Competition

1 Special Olympic skater competed, and won a Bronze Medal, at the 2025 Special Olympics World Winter Games

---

Popular events were back! Halloween Skate, Skate with Santa, and Skate-A-Thon.

Trout Lake Pottery Club

TLVCCA Affiliate Group

Myriam Duchesne | President

The Trout Lake Pottery Club (TLPC) is a volunteer-run community of 50 members who share a passion for pottery. Coming from diverse backgrounds and skill levels, members exchange creative insight and experience, supporting one another's artistic growth and exploration.

Internal Focus and Club Development

In the past year, the Trout Lake Pottery Club welcomed 14 new members. Following the technician hiring process in the previous fall, the club focused on building a strong working relationship with the new technician through collaboration, orientation, and open communication.

The club also reviewed and updated its production policy to ensure it reflects its mission and values. The revised policy supports sustainability and equitable use of shared studio resources, fostering a balanced and inclusive environment for all participants

Additionally, the TLPC has been developing records and resources for procedures, policies, and duties. This work strengthens the club's long-term sustainability, improves role transitions, increases transparency, and makes thecollective labour involved in running the club more visible.

Community Events

This year saw the return of many of the club's regular community and social events. For Family Day, participants collaborated with the community to create a temporary clay garden, fostering creativity and connection.

The TLPC held another successful Winter and Spring Sale, with proceeds from donated items going to the Wish Drop-In Centre Society and Mom2Mom, supporting local community programs. The Spring Sale was especially noteworthy, achieving record results thanks to strong participation and the community's enthusiastic support for member-made bud vases.

For the Fall Harvest Community Dance, participants created 110 Harvest Bowls, along with additional pieces used as door prizes. Many members have expressed excitement about contributing to future events, continuing the club's tradition of community involvement and creative outreach.

Scribes Rugby Football Club

TLVCCA Affiliate Group

Hal Bailey | Board Member

The Scribes Rugby Football Club (RFC) is the only East Vancouver rugby club. We have been practicing at John Hendry Park since the early 70's and we are all very grateful to see the improvements to the field. We take pride in introducing new people to the sport with a strong focus on team spirit and fostering a sense of community. Scribes welcomes everyone with open arms regardless of background, gender, age & ability.

Milestones

- Being back on the new rugby field at John Hendry Park.
- Our commitment to grow junior rugby in Vancouver with East Vancouver schools including Vancouver Technical Secondary School, Laura Secord, Queen Alexandra & Lord Selkirk
- Sending our touch team to the national championships in Victoria

Scribes RFC runs a summer touch league with mixed gender teams open to all ages and abilities over 12 with over 100 players. We look forward to running a women's team, a men's team and junior age group from under 6's up to under 18's. Our long term goal is to grow the sport in East Vancouver welcoming people into the sport in a safe, encouraging and inclusive environment.

Scribes RFC would like to thank the TLVCCA for their affiliated group support.

Trout Lake Little League

TLVCCA Affiliate Group

Kyle Sanderson | President

Prepared from troutlakebaseball.com

Founded in 1953, Trout Lake Little League offers Little League baseball for players ages 4 to 12. In the spirit of Little League, we proudly promote community, fun, friendship, good sportsmanship, volunteerism, skill development, and an overall love of baseball.

Please visit www.troutlakebaseball.com/about for more information.

Season Highlights

House Season Tournaments

Trout Lake Little League was proud to host two house season tournaments over the May long weekend:

- Don Sheard Wood Bat Tournament – Majors (11 & 12 year old's)
- Rookies Memorial Tournament – Rookies (7 & 8 year old's)
- Both tournaments were for non-tiered leagues and house season teams.

Post Season Tournaments

Trout Lake Little League was honoured to host 2 post season tournaments this year, including the 2025 BC Little League Provincial Championships. With freshly rebuilt diamonds and facilities, we enjoyed welcoming teams from around BC to Trout Lake Little League.

Appreciations

We thank our Board of Directors, staff, instructors, amazing committee, event and youth volunteers, affiliate groups, community partners and donors! We are deeply grateful for your support!

Volunteer Spotlight

Arlene Martin and Shehan Slemmermann

Arlene and Shehan joined the Green Committee in 2024, bringing creativity, enthusiasm, and wonderful communication and design skills. They were key to launching and promoting the "No Balloon" campaign and supported many initiatives, including our annual Earth Day event. Their design talent also brought colour and vibrancy to the TLCCA 2024 Annual Report. Though they've stepped down from the committee, Arlene and Shehan remain close to our hearts, and we're so grateful for their time, dedication, and lasting impact.

Peter Cobbin
Over 3 years of Volunteering

We would like to extend our sincerest gratitude to Peter for his intense commitment at Trout Lake Community Centre. Peter has been a part of the community since 2008 and continues to make a positive impact on everyone he interacts with. His level of initiative and passion when it comes to helping out with our youth programs is unmatched!

Trout Lake Youth

We sincerely appreciate our youth volunteers, whose dedication to creating a safe, welcoming, and vibrant community shines through every event and initiative. Their hard work, from supporting green efforts to engaging in sports, workshops, and supporting community activities, has been invaluable.

With their enthusiasm, fresh ideas, and commitment to raising funds, they set an inspiring example and make a real difference.

Thank you for being the heart of our Community Center!

Appreciations

The Trout Lake Vancouver Community Centre Association values and appreciates its volunteers, whose dedication and enthusiasm help strengthen the community at Trout Lake. Your contributions, whether supporting programs, helping with events, or participating on committees, play an essential role in creating a welcoming and enriching environment for everyone who spends time at the Centre.

Volunteering brings meaningful benefits to others, and we hope it also provides you with opportunities for personal growth, learning, and connection. By giving your time and talents, you become part of something greater than yourself, helping foster a sense of belonging and enhancing the experiences of countless community members. Your dedication makes a real difference, and we sincerely thank you!
